2018 Ti Point Marlborough Pinot Gris

Ti Point wines were born of the passion and determination of three generations of women to create elegant wines of layers and texture. Full-flavoured, supple and smooth, these are stylish wines to be shared with family, friends and food.

Vintage Summary	<p>Summer in Marlborough was a warm one, so we started picking fruit earlier than normal. We had one short rain event early on, but that was followed by more lovely warmth giving a real boost to flavour ripening over that time.</p> <p>As ever, picking dates were critical, with our Pinot Gris fruit being harvested over the dry, late vintage period. The long, hot summer has created a perfectly balanced, textured Pinot Gris full of luscious flavour.</p>																
Winemaker's Note	<p>This Pinot Gris exhibits aromas of Nashi pear, crystallised ginger, cinnamon, honey and baked pears. It has a plush palate entry with a sumptuous texture finishing with light acidity and lingering flavours of pear crumble.</p>																
Vinification	<p>The grapes were lightly pressed and the juice then clarified. The juice was fermented with yeasts ideal for aromatic Pinot Gris. The finished wine was given a light fining to elevate palate texture, then filtered before bottling.</p>
